

Job Description | *Membership Coordinator*

Break Away is seeking an exceptional candidate to join our staff as a Membership Coordinator. The Membership team is responsible for communicating with and supporting our Chapter schools through ongoing consultation and resource development, maintaining internal constituent records, and executing the National Conference Call series.

Break Away is the national nonprofit which trains and supports students and staff leaders in developing and running high quality alternative break programs. We believe alternative breaks act as a catalyst experience to support our vision of a society of active citizens.

The Membership Coordinator is a key member of a small team, which includes an Executive Director, Membership Director, Community Director, Programs Director, and Programs Coordinator. The particular focus of this position will be maintaining and expanding our relationships with Chapter schools.

Responsibilities will include executing strategies for program communication; maintaining and developing high quality relationships with Chapter school students and staff; and providing resources, curriculum, and other services that will benefit and grow membership.

The ideal candidate will demonstrate proven ability to do the job outlined below, will flourish and be creative in autonomous work, brings strength and innovation to team based work, is capable of building good relationships with our constituents, and has integrity and passion in working toward Break Away's vision.

Hours: 40 hours/week, Mon-Fri. Evenings and weekends as needed. These hours will likely expand during the summer in staffing the Alternative Break Citizenship schools (ABCs).
